Manharsinh Jadeja

Student

I am pursuing B.Tech in Information And Communication Technology at Marwadi University. I am hard-working, honest, and have a good presence of mind with a great passion for software development. My good communication skills will use to communicate with people in the workplace. I am a cooperative team-mate and committed leader. My adaptive nature towards my work will make me flexible regarding working hours and keen to upgrade my skills as per the requirements.
